Time to Relax!

Hello Laura,

Our "All Together Now" summer reading programs were a great success! Since the end of June, we held 18 programs for all ages. Bingo participants earned 670 raffle tickets to win 37 prizes. We've posted photos of the programs on our Facebook page.

Staff is planning fall programming this month, so stay tuned for good things to come! In the meantime, check out a beach read book, or an audio book for a summer drive, or our hiking kit for an outing with the family.

Enjoy August!

Readers Cafe Book Discussion

This story lays bare the journey of the turn-of-the-century socialites who took their lives into their own hands and reshaped the country's attitudes about marriage and divorce.

"In my college years, I would retreat to our summer house for two weeks in June to read a novel a day. How exciting it was, after pouring my coffee and making myself comfortable on the porch, to open the next book on the roster, read the first sentences, and find myself on the platform of a train station."
