Fall in Love with a Book

Hello Laura,

Can you fall in love with a book? Have you ever felt bereft when a book ends? Do you wonder what the characters are doing after you finish the book? Do you tell anyone who will listen about this great book you've just read? I hope I'm not the only one who feels this way!

Browse our books - in person or through our [card catalog](#). We have several new authors and series that may be just what you're looking for.

We can help you find a new favorite. Receive a customized book list of new authors and new books, based on what YOU like to read. Just ask, or click to [get started now!](#)

If you're feeling adventurous, check out our Blind Date with a Book display. Choose a mystery book, take it home and unwrap it, read it, and rate it if you choose. There's some one book for everyone out there!

Have a good day,

Laura
